Dear Mr. Barrucco,

On behalf of the Farha Foundation, we would like to thank you for taking part in ÇA MARCHÉ 2011, Quebec's largest public walk in support of people living with HIV and AIDS. This year, nearly 4,500 people walked in ÇA MARCHÉ, which helped to raise approximately \$300,000. Your generosity contributed to the success of the event, and the Farha Foundation would like to extend a warm thank you for your donation, time and commitment to the 19th edition of ÇA MARCHÉ.

It is our mission to continue to support those living with this disease, which touches up to four Quebecers every day. Your involvement helps improve the quality of life for those affected by HIV and AIDS, a disease for which there is no cure, a disease that can affect anyone.

The campaign is not over! We have until December 1, World AIDS Day, to reach our goal of \$400,000.

Once again, thank you for your support!

Together we can do it!

Evelyn Farha

Honourary President of the Farha Foundation
